

Glasgow City Women's Lacrosse

Season 2023/2024 - Fees and Membership Options

This season's fees have been calculated by the committee and are laid out below. We aim to make playing lacrosse as affordable as possible for our members while covering our costs and ensuring the club remains sustainable.

What do the fees cover?

Fees for this season cover the cost of pitch hire for training and matches, equipment, coaching, match umpires, league fees, and the club's Lacrosse Scotland membership. If you wish to find out more about these costs and how fees have been calculated, please speak to the club's treasurer, Mhairi Cargill.

Lacrosse Scotland Membership

In addition to your club fees, all players are required to pay Lacrosse Scotland membership. Lacrosse Scotland is the governing body for lacrosse in Scotland. Among other things, this subscription covers insurance for training and matches.

Full Season Fees

Full year adult membership: £145

Full year student membership: £125

Part Season Members

This option is available, by arrangement with the treasurer, to players who will not be in Glasgow for the whole season, e.g. study abroad students, those moving to, or away from Glasgow during the season. This will cover the cost of training and matches for part of the season.

Session 1 (August – December)

Adult: £90

Student: £80

Session 2 (January – April)

Adult: £75

Student: £65

Visitor Training Fee

For players who wish to join the occasional training session but are not full or part season members, there is a visitor's training fee. This should be paid via bank transfer within 48 hours of the training attended.

Visitor Training Fee: £7 per session

Bank Details

As soon as you are able, please pay your fees by bank transfer, using your full name as the reference:
